Backstage

Please provide a venue-appropriate backstage room for at least 4 people for dressing up and store personal belongings.

Catering

Unless agreed otherwise, the venue will provide a warm meal for 4 people plus crew. There are no allergies known and there's no vegan/vegetarian option needed.
Also, the venue will provide soft drinks, water, beer and coffee for the band.
Additionally we will need at least 1 Liter of water per person on stage.

Guest List

If needed, Altered Rebirth needs up to two guest list spots free of charge for crew.

Merchandise

Please provide the band with a table and space with power, so we can properly present our merchandise.

Accommodation

Depending on the deal, the band needs a dry and warm space for up to 4people plus crew.

Loading/Parking

The venue will provide parking spaces for at least one car or must communicate with us about alternatives, if not possible.

Members

Altered Rebirth is:
Silas Schmidt – Vocals
Thomas Steier – Guitar
Karl Theo Eifert – Drums
Collin Althaus – Bass

Stage Requirements

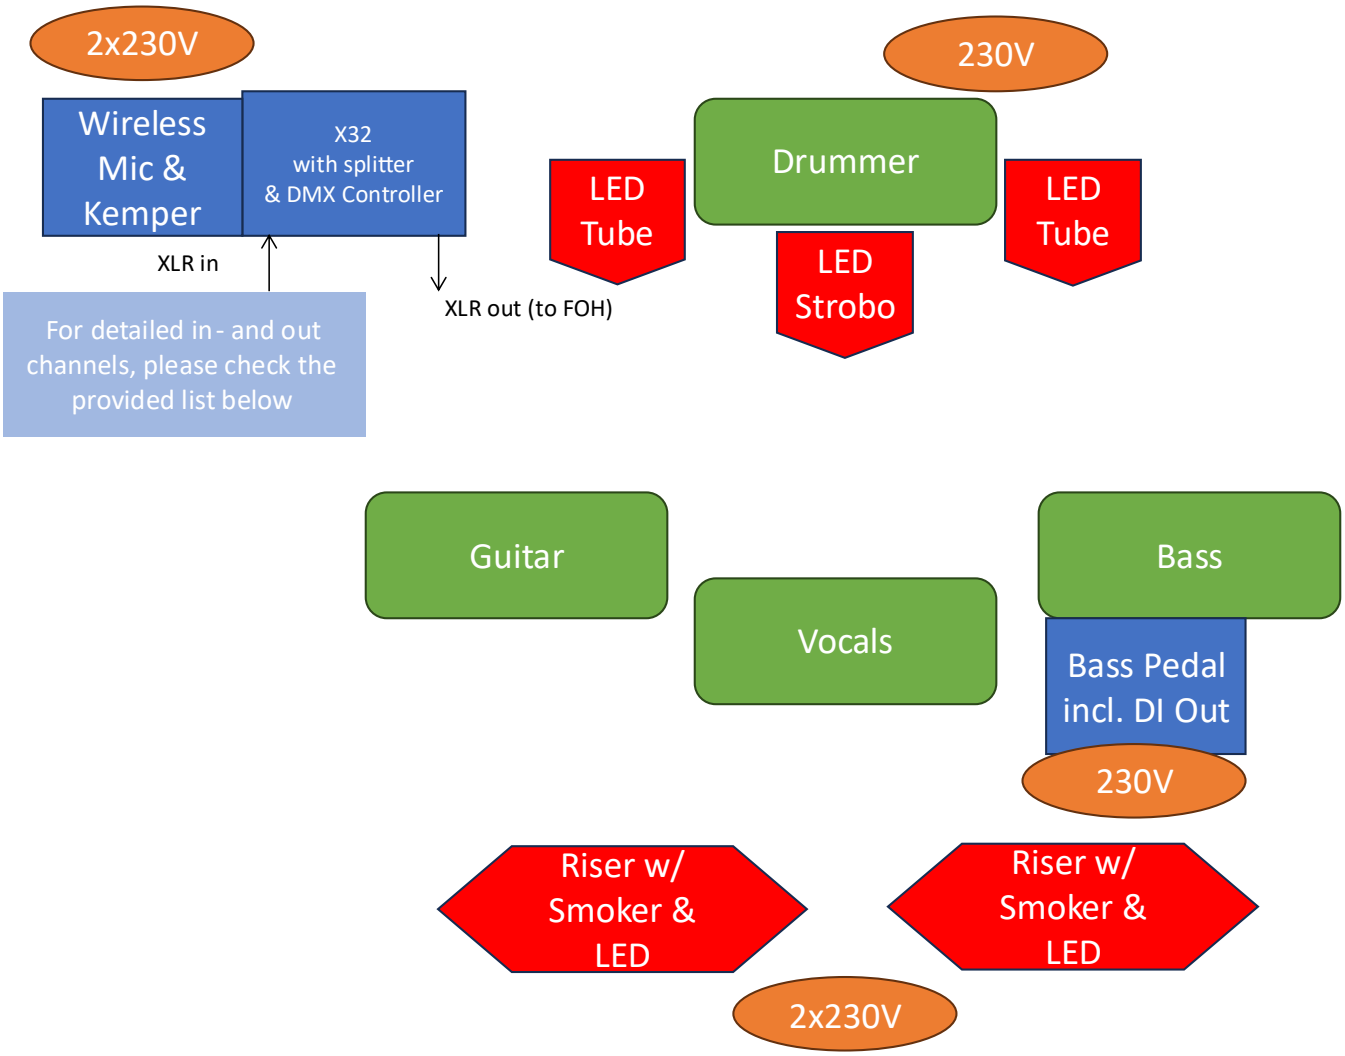

• 1 stage that provides enough space for equipment and the band's performance
• 1 PA system + mixer that can handle a full mix consisting of drums, guitars, bass, vocals and backing tracks
• Multicore cable and XLR to properly split the inputs for us and the FOH, we will bring our own Multicore for all of our Outputs
• Microphones to mic the toms of the Drum Kit
• Please provide a drum carpet if possible
• Sufficient power distribution
• Possibility to mount the backdrop behind the drum kit
• If possible, we may bring our own MIDI controlled lights and set them up during soundcheck. If so, please reduce the stage lights to a minimum or turn them off completely

Monitoring

The Band uses In-Ear Monitoring, in case of emergency, an alternative on-stage monitor is gladly seen.
