

# bender - press info

## Band:

Since January 2010, bender from Karlsruhe regularly rock the stages of Southern Germany. With their earthquake-like, sweat-dripping live shows they make 'em crumble. Doing so, they are always standing close to the fire, burning hotter and louder than the others. With ultra-heavy sound, crying guitar-solos, an outstanding voice and unbelievably tight performance, they celebrate their own unique mixture of Grunge, Rock and Blues.

In December 2011, they released their live-recorded debut album "Of Ghosts and Travelers".
