WHO WE ARE

Black Black Blood Prophecy is a
modern melodic metal band
that combines raw energy,
atmospheric depth and
uncompromising honesty.

Between aggressive riffs,
massive breakdowns and dark
soundscapes, the band explores
conflict, the depths of the human
condition and the courage to
confront the shadows
within us all.

THROUGH
THE
SHADOWS.

WE DON'T WORSHIP THE DARKNESS. WE WALK THROUGH IT

THE SHADOW	THE QUESTION
EVERY PERSON CARRIES THINGS WITHIN THEMSELVES THEY WOULD RATHER NOT FACE. FEAR. ANGER. GUILT. DOUBT. MOST SPEND THEIR LIVES RUNNING FROM THEM.	Awareness alone changes nothing. Anyone can see the truth. The question is: What do you do once you can no longer ignore it? Truth REVEALS, but what comes next?
THE HUMAN CORE	
We do not write about monsters. We write about people. People who fall. People who doubt. People who fight. People who choose to change throughout the darkness.	

WHY BLACK BLOOD PROPHECY EXISTS

Every person eventually reaches a moment when old answers stop working.

A moment when truth becomes impossible to ignore.

Black Blood Prophecy exists for that moment.

The moment of confrontation.

The moment of responsibility.

The moment of change.

The beginning of a transformation.
