**another\_open\_stage** Flying Feet's performance at Another Open Stage was a lively journey through the rich soundscapes of Folk Rock and Americana. The five-piece band from the Cologne/Bonn area brought together influences from Irish Folk, Jazz, Rock, and Latin to create a vibrant and groovy set. Their blend of covers and original songs showcased both their technical skill and heartfelt storytelling.

Flying Feet's originals tell stories of remembering and letting go, old friends and new beginnings, and traveling through life with music as a companion. Their dynamic stage presence and intricate melodies left the audience captivated, creating an atmosphere that was both reflective and uplifting.

If you missed Flying Feet at Another Open Stage, make sure to follow them for updates on their musical journey. Their unique fusion of genres and heartfelt performances promise more unforgettable moments to come.
