HEY NEW KID, NOW THE STREET IS YOUR HOME. HEY NEW KID - DON'T STEP BACK - NEVER LET YOU PUSH DOWN

## FLORIAN DÖPPERT

SOUTHDOGROCK

*"I just don't understand that in such a rich country, thousands of children and teenagers live on the streets.*

*With SOUTHDOGROCK I would like to start a new song production and raise money for the OFF ROAD KIDS Foundation."*

HEY NEW KID - LIFE IS TOUGH AND BLOWS COLD IN YOUR FACE. HEY NEW KID - NEXT MORNING COME, IT'S ANOTHER CHASE

## ABOUT THE PROJEKT

SOUTHDOGROCK is a solo project by Florian Döppert. "My musical project SOUTHDOGROCK aims to help homeless children and young people in Germany."

With SOUTHDOGROCK a long-awaited wish comes true: to unite creativity, music and social commitment.

Because there is still music to be played, there are still words to be said and there is another song to be made!

SOUTHDOGROCK produces music together with **Frank Schultz** of PRO TON MUSIC - a professional and competent partner. [www.protonmusic.de](http://www.protonmusic.de).

## THE 1st SONG

*Ride with me* is SOUTHDOGROCK's first song that was financed with own funds. But that can't be it yet! We want to continue producing and need support.

## THE STREET

Our next project: the song *The Street* is all about children living on the streets. A subject that deserves attention.

## OFF ROAD KIDS

A foundation that wants to create perspectives for young homeless people in Germany. SOUTHDOGROCK donates! [www.offroadkids.de](http://www.offroadkids.de)
