Dark Progressive Metal

## BAND BIO

Sinister Cult is a Düsseldorf-based dark progressive metal band defined by atmosphere, weight, and deliberate pacing.

The debut album *Court of the Mind* (2025) marked the band's first full artistic statement, balancing restraint and impact within a focused album format.

With the upcoming second album, Sinister Cult is refining its direction toward greater emotional depth and sharper structural focus.

Sinister Cult are:
Vocals – XiL
Guitar – Berkay Özbek
Bass – Yannik Junk
Drums – Florian Mathes

## SELECTED VIDEO MATERIAL

## THE SOUND

Sinister Cult builds its sound on heavy grooves and dark melodic lines shaped by careful pacing.

*Court of the Mind* moves between atmospheric passages and forceful climaxes, shifting between stillness and eruption without relying on constant intensity.

Future material deepens this balance, expanding the quieter moments while intensifying the weight of the heavy sections.

## LIVE

BurgRock Festival 2025
Supporting Fortune Teller (UK) – Belgium
Album Release Show – MTC Köln

On stage, Sinister Cult emphasizes precision and pacing. The set moves deliberately between restraint and impact, allowing each shift to land with clarity.

Rather than constant aggression, the performance relies on control, disciplined presence, and measured force.
