

KOMPLIZEN

Indie sounds with soul influences, eclectically sampled and organically woven together.

Energy laden: a unique voice, uplifting violin and flute sections and a finely woven groove tapestry.

Lyrics that take the listener on a journey, inspiring shifting perspectives that serve as the soundtrack for their own adventure.

Yvi says: "Fantastic (Live) band with extraordinary singing that really hits you. A must-listen!"

An EP was released in November 2019 | Upcoming gigs: 15 Feb, Buntspecht, Leipzig | 19 Mar, Casa Pepe, Leipzig
