Availian

BAND LINEUP

Dirk Schubert – Bass Guitar

Started playing bass guitar at the age of 12. Founding member of the bands Havarie and Danger in the 1980s. Took a break from music for family reasons from 1989 to 2024. Rejoined the music scene in 2024, joining Availian as the bassist. Recorded the album "New Horizons" in 2024 with Availian.

Florian Jöchner – Florian is the

current Keyboarder. Played piano and organ since childhood.

Extensive performance experience, including high-profile gigs at the Oktoberfest in Mumbai and Haigern Open Air.

Linus - Drummer

(18 years old) , has played drums for 13 years with professional training. His first stage performance was at age 10 with a local orchestra, and by 13, he was performing regularly with "BlasSociety." In 2020, he joined Dörrberger Musikanten, and during the pandemic, briefly played with "Black Lada." In 2021, he founded the brass quintet "Linus-Quintett" and in 2022 became DrumTech for "Biba und die Butzemänner." That year, he also co-founded the blues-rock band "The Grateful Rush" and started learning guitar. By 2023, he was drumming for the melodic metal band "Availian" and saw great success with "The Grateful Rush." He participated in Availian's debut album "New Horizons" and in 2024, became guitarist for "Dumont" and FOH engineer for "Theodor Strom."

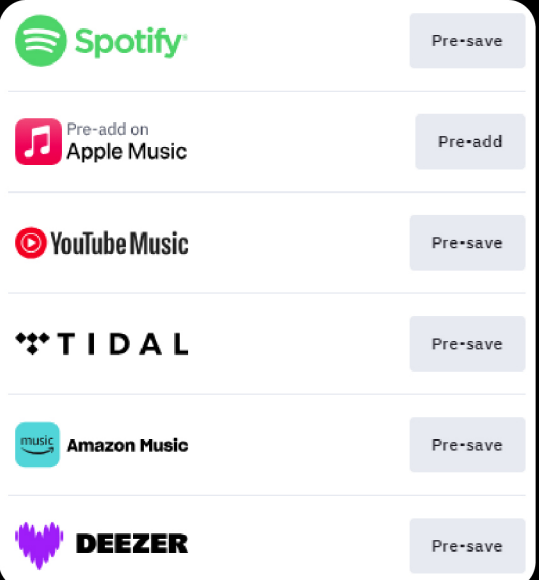

NEW HORIZONS

Released in 2024, "New Horizons" is Availian's debut album, a culmination of various musical influence from rock, alternative and metal genre

The album features intricate compositions and emotive lyrics, showcasing the unique talents of the band members.
