Usable Press Text

With Happy Endings, Luna Heart presents an emotional English language pop song about hope, love and the belief in positive endings. The song tells of longing, vulnerability and the inner wish that dreams can come true.

Musically, Happy Endings moves between emotional pop, pop rock and a modern ballad. Its melodic direction and positive core message make the track suitable for radio, web radio, adult contemporary, singer songwriter formats, emotional music programs, request shows, newcomer features and international playlists.

The song is especially suitable for editorial themes around love, hope, longing, dreams and personal new beginnings.

Editorial Use

Presentation as an emotional pop song, modern ballad or hopeful love song. Especially suitable for programs with a romantic, positive or personal focus.
