FoH Console and PA

Digital Desks such as Yamaha, Midas, Allen & Heath, DiGiCo, Soundcraft, even X32 are preferred.

Analog Desks such as Midas, Allen & Heath, Soundcraft are good to go.

Behringer desks are not acceptable!

For any concern regarding equipment such as consoles, monitoring and mics, please contact FoH engineer. He seems to be a nice guy, but you wouldn't bet on it.

Please take care that the PA is working properly and is sufficient for the venue.
