

Luna Heart

Singer | Songwriter | Pop Rock | Emotional Ballads | Storytelling

Press | Radio | Promotion | Short Profile

Profile

Pop Rock with emotional depth, personal storytelling and a clear perspective of hope.

Short Profile

Luna Heart is a singer and songwriter with a sound between Pop Rock, emotional ballads and modern storytelling. Her songs connect personal turning points with themes such as hope, inner strength and new beginnings.

Her artistic background ranges from early stage performances to musical productions such as *Evita*, *Cabaret* and *Im weissen Roeschl*. She also gained live experience in band projects including *The Dreamgirls Band* and as lead singer of *CRISP Hamburg*. Performances have taken her to Prague, England, Valencia and Crete.

Today Luna Heart lives in the Netherlands and remains closely connected to Germany through her music. Her current work stands for Pop Rock energy, emotional melodies and songs with a clear and relatable story.

With songs such as *A Little Light*, *We Are Alive*, *Neues Leben*, *Happy Endings* and *Lights of Hope*, Luna Heart shows a clear artistic range: melodic, emotional, positive and professionally positioned for radio, press and digital music formats.

Current Focus: A Little Light

A Little Light is an emotional, positive pop song about hope, inner strength and the small light that keeps shining even in difficult times. The title is suitable for radio, web radio, singer songwriter formats, emotional programming, request shows, newcomer features and international playlists.
