Blakvise knocks your socks off, lets you sing along and dance, lashes around and embraces you afterwards! The band from Hannover/Kassel exists in this formation since the beginning of 2009 and makes every concert to an experience.

With their progressive influenced mix of rock and hardcore the 4 guys played already on numerous festivals and club shows showing their live qualities.

People that like energy loaded songs, emotional moments and a rocking sound that touches and hits the crowd at the same time, won't forget this music.

In the beginning of 2010 Blakvise signs a deal with the UK label Headroom Records and releases their first EP "For All These Days".
