Monitoring

- Utter Silence require 4 (SR / C / C /SL - at best), 3 (SR / C / SL - at worst) monitoring wedges on stage.

Stage Lighting

- Utter Silence would appreciate having mainly blue and light blue lighting on stage, if possible.

Fog machines

- extensive use of fog machines is highly appreciated.

Backdrop and side drops

- Utter Silence has a 2.5 x 2.5 meter backdrop and 2 optional side drops (1.0 x 2.0 meter)

Catering

- vegan and vegetarian catering is highly appreciated. Softdrink, Water and beer would be great!

Accommodation

- nothing fancy - clean and comforable rooms up to four beds are fine!
